What we can do to assist the community:

- Provide a reassuring, uniformed patrolling presence.
- Provide an efficient eyes and ears service aimed at reducing fear of crime and improving the quality of life.
- Deal with environmental crime issues, notably dog fouling and littering, and help to preserve the environment.
- Reduce incidents of criminal damage and anti-social behaviour by taking enforcement action where necessary, including issuing Fixed Penalty Notices, or referring to the police.
- Support the community by encouraging the establishment of activities for young people.
- Support vulnerable members of the community by preventing isolation.
- Offer advice on crime prevention and fire safety in the home.
- Work in partnership with other agencies to help benefit the community.
- Act as professional witnesses.

What we don't do:

- We are not a replacement for the police.
- We are not an emergency service or response team. Crime and anti-social behaviour should be reported to the police directly.
- As we do not work 24/7 there will be times when neither warden is on duty.
- When dealing with the elderly and vulnerable, we are not there to provide a care service but we are able to signpost to the relevant agencies.
- We are not parking wardens and cannot issue parking tickets.

ASB/Crime/Criminal Damage

During our joint patrol with PCSOs, we assisted response officers from Sussex Police in identifying and capturing a known wanted person. Our efforts and thanks to members of the public for support in our role.

Parking/vehicles

Operation Crackdown reports: Joint initiative with Sussex Safer Roads Partnership and Sussex Police to report abandoned vehicles or anti-social driving: <http://www.operationcrackdown.org/>. Did you know Horsham District Council Parking Services offer Shop Mobility <https://www.horsham.gov.uk/parking/shopmobility> this is a free service and easy to obtain visit Level 2 parking services for more details.

Fly tipping/ littering/graffiti

We have seen a significant drop in drug litter, we collected and reported 2 small used bags during this month, which is substantially less than last year. We have reported graffiti at Railway Subway to Network Rail as this is their area of responsibility and no reports were made to HDC. Please use the links if you need assistance with this.

If you would like to collect litter in your local area at a time which suits you, Horsham District Council will support you with appropriate equipment through the Adopt a Street Scheme: <https://www.horsham.gov.uk/waste-recycling-and-bins/litter-and-street-cleaning/adopt-a-street>

Report an abandoned trolley https://www.wanzl.com/en_GB/360-degree-service/TrolleyWise

Community engagement/events/meetings

We provided a number of drop-ins offering support and assistance with the following charities/projects:

The Butterfly Project to promote “Our Town” campaign and reminded their members of personal safety.

We joined Age UK with their Christmas celebrations, a wonderful Christmas meal was enjoyed by all, please check their website for activities for 2023!! We offered a safe space for residents at YMCA Horsham. We offered a multi-agency Drink/Drive Campaign to target the festive season. This was held outside Wilkos and the Lynd Cross and was well attended, our colleagues from Sussex Safer Roads, West Sussex Fire & Rescue, Sussex Police, Parking Services Promoting Shop Mobility and ourselves spent time talking to members of the public to raise awareness. The Lynd Cross kindly provided hot beverages which was much appreciated on such a cold day.

We celebrated re-branding of Londis, congratulations to Amish and his staff, a very generous member of our community.

Patrols (foot and bike patrol)

We continue to patrol over the three unparished neighbourhood councils, providing a uniformed presence and engaging with our communities. We will continue to provide a reassuring presence. Our previous areas of reported ASB have diminished thanks to joint patrols and collaborations with other agencies. Positive engagements with businesses and members of the public have promoted appropriate reporting to relevant services.

Older, Vulnerable People and Youth

As the energy price crisis continues to cause many of us issues with the cost of living, community drop in have been provided across the district, we have attended those in our area. The next date 18th January at Broadbridge Heath Leisure Centre 10am – 12noon. There continues to be a number of warm spaces that are provided for residents we advise you keep a look out on social media, notice boards and churches for times and dates in your area.

It is even more important than ever to look out for others be it neighbours, relatives, or friends. If you have concerns about anyone in Horsham who is experiencing hardship, please follow the links below
